2. The Chamber Membership Directory will be part of the October issue of “Cabarrus Business” Magazine published by Jason Huddle. Special advertising rates are being offered for members who would like to have their ad included in this special issue. We have not published a directory in “hard” form since 2008. This magazine addition will offer extended shelf life to those who have asked for our directory in print.

Call Jason Huddle at 704-979-9994 to talk about an ad.

3. Profile Display is currently selling space in the display cabinet in our “Cabarrus Regional Information Room” located in the front of our lobby. They are offering ½ of the display window, or a whole space. Drop by the Chamber if you'd like to look at the cabinet to decide if this is where you want to use some of your advertising dollars.
